

"I loved this book! The stories are touching and inspiring. With 8 grandchildren and 17 great grandchildren, I can quote my own television show, Kids Say the Darndest Things. Now I can add, So Do Grandparents!"

**Art Linkletter** Cultural and TV icon for more than sixty years

## "BUT I STILL LISTEN TO PRINCE..."

The news of impending grandparenthood often leaves Baby Boomers dazed and confused...but not anymore! With the music of real-life rock-n-roll grandparents like Bob Dylan, Mick Jagger and Paul McCartney jamming in the background, the Love Generation is shaking things up on the grandparenting front. *Grandparents Rock: The Grandparenting Guide for the Rock-and-Roll*

*Generation* is here to help you shake, rattle and roll your new identity. In this groovy guide, you'll discover zany true stories, heart-warming insights, and hard-earned lessons for staying hip and cool as you become a "Grand." It's the how-to handbook and perfect gift for rock-n-roll grandparents who refuse to get old—no matter what the calendar, society or their family tree says.

## HOW CAN I BE A GRANDPARENT!?"

"Provides inspiring stories from real-life baby boomer grandparents. By melding love and wisdom with the nostalgia of classic rock and roll lyrics, Pat Burns skillfully captures the transforming joy of grandparenting as it is today. This is a great read for the wannabe, new and experienced grand alike."

**Christine Crosby** Editorial Director,

**GRAND Magazine** The Official Magazine of Grandparents

"Pat Burns has created a wonderful book about grandparenting, but this is really a book about love—about giving love, getting love, and sharing love with a whole new generation."

**Glenda Hatchett** Presiding Judge on the Nationally Syndicated Show **JUDGE HATCHETT** and National Best Selling Author of **SAY WHAT YOU MEAN** and **MEAN WHAT YOU SAY**

"Pat Burns is a success at everything—and now she's helping her fellow boomers lead fulfilling lives as active, involved grandparents. This book is a great gift for my generation."

**Robert G. Allen** Author of Bestsellers such as **Nothing Down,**

**Creating Multiple Streams of Internet Income** and **The One Minute Millionaire**

**Pat Burns** is a delightful and slightly wild woman whose chronological age (typical Baby Boomer) doesn't even come close to her experiential age of 180! An in-demand business consultant, popular speaker, and Co-Founder of the Orange County Children's Book Festival, she's seen it all—but she's definitely not ready to say she's done it all. A resident of Newport Beach, California, Pat is the proud mother of two grown daughters and the rocking grandma of Dylan and Skye Elizabeth.
